security

Proactive measures have been put in place for your security and peace of mind.

St Angela's Student Residences enjoys a high degree of security both internally and externally, which includes swipe card access to all blocks, apartments and bedrooms.

Internally all apartments are fitted with full length curtains on all windows, as well as covering the main entrance area. You will also enjoy the security of telephone access via *pabx*. Each apartment is fitted with its own *ddi* number.

Externally there are a range of security measures in place e.g. staggered patrols (both mobile and on foot); 24 x 7 CCTV coverage; alarms (both fire and burglar); traffic ramps; external lighting (including flood lighting); neighbourhood watch; and co-ordination of measures with St. Angela's College.

prices & savings

A list of prices, as well as payment schedule and application form, can be accessed via our Web site. Please view 'student information' in the 'main menu'.

Our 'low cost corner' includes supply of pillows, duvets (*there's a requirement to bring a 5' duvet (or 90 x 86 inches) cover with you*) and a **generous electricity allowance** depending on the rate of occupancy.

A late night bus service operates from Sligo City to St. Angela's Monday to Thursday (for a nominal fare). There may be a double service provided one night per week (depending on students' social and convivial requirements!).

A "feeder" service operates from Sligo City to St. Angela's on a Sunday night (for a nominal fare). Please consult our web site for full details.
